Giant

The Giants live on many islands in the Forbidden Isles, and the only thing larger than a giant’s bulk is its foul temper! That said, many sea captains have entered into agreements with Giants in their locality, in order to protect their ships and their harbours, or to encourage a Giant to fight with them against a common enemy. The Giants generally seek an easy life, and enjoy the wealth that cooperating with their neighbours often brings them. Rules for this monster can be found inside the Master Rulebook. You can also download a PDF of the rules from www.spartangames.co.uk/resources/downloads Please note that Uncharted Seas models do not ship with stat cards or any other printed materials. Updated rules and statistics will be available from the 'Downloads' section of the Spartan Games website. Our models are made from either resin, pewter, or a combination of the two. Models supplied unpainted and unassembled. Some preparation work may be needed before assembly. We recommend that resin models are washed before painting.
