Description

A three-man infantry 3 squad, the Allies Corps Officers brings two things to your forces: Command Skills and Firepower...lots of them! Able to distribute combat drugs or heal friendly soldiers, call reinforcements for destroyed vehicles or units, repair damaged vehicles and simply remove enemy infantry and aircraft with their machine guns and flame-thrower, the Corps Officers has always something to do on the battlefields.

Miniatures come pre-assembled, primed and unpainted. (but ready to play!)
