Directorate Tormentor Class R&D Cruiser

Equipped with the most sophisticated cyberwarfare technology produced by the workshops of the Directorate, Tormentor Squadrons overwhelm their prey's electronic defences. Worming their way in to the enemy's networks, they shut down key systems at pivotal moments in battle, rending the enemy defanged and helpless in the face of the Directorate guns. Commanders can use the versatile power of the Tormentors to achieve a variety of shadowy goals, often more insidious than simple destruction.
