Iron Dwarves Belcher Class Sub

The Dwarven Masters of Engineering who designed this vessel were clearly looking forward to the future. Sleek and fast, the submersible glides through the waters of the Uncharted Seas looking for prey. When an enemy ship is spotted the submersible closes in and rises, exposing its potent Magma Guns. 1 model per blister. Please note that Uncharted Seas models do not ship with stat cards or any other printed materials. Updated rules and statistics will be available from the 'Downloads' section of the Spartan Games website. Our models are made from either resin, pewter, or a combination of the two. Models supplied unpainted and unassembled. Some preparation work may be needed before assembly. We recommend that resin models are washed before painting.
