Iron Dwarves Flagship

The Dwarven Artisans of War have improved upon the standard Battleship hull, adding deadly ram to the front of it along with a fore-firing battery of rockets and a rear mounted turret. The result is a floating death machine named the Chainmail Class Flagship designed to hand out pain to the enemy! 1 model per blister. Please note that Uncharted Seas models do not ship with stat cards or any other printed materials. Updated rules and statistics will be available from the 'Downloads' section of the Spartan Games website. Our models are made from either resin, pewter, or a combination of the two. Models supplied unpainted and unassembled. Some preparation work may be needed before assembly. We recommend that resin models are washed before painting.
