Star Wars Armada Nebulon-B Frigate

The showpiece of the Nebulon-B Expansion Pack for Star Wars: Armada is its detailed and pre-painted Nebulon-B frigate miniature, and the expansion then enhances this ship by supplying all the command dials and tokens you need to fly it, along with ship cards that allow you to build it into your fleet as a fighter escort or as a powerful support ship. Additionally, the expansion's eight upgrade cards, which include two unique title cards, allow you to further customize your frigate's role within your fleet. This is not a complete game experience. A copy of the Star Wars: Armada Core Set is required to play.
