Description

Get ready for The Thunder! This crew brings everything you'd expect from a criminal Three Kindgoms organisation in Malifaux: martial arts, ninjas and brute force. Misaki is probably one of the deadliest models in the game and it will be hard for your opponent to avoid her as she is incredibly fast. Torakage and Ototo can deal with whatever Misaki leaves for them or simply score scenario points while your opponent is too focused on the prodigy girl.
